

FURNITURE TO MEET ANY BUDGET

EASY, FAST, AFFORDABLE OFFICE SOLUTIONS

Shopping for office furniture has never been easier than with our large selection of preconfigured office sets from Bush Business Furniture (BBF). They offer the most popular furniture layouts that are capable of outfitting office spaces from small to large. All with the option to be delivered direct to you unassembled or installed by a professional.

Standard Delivery

Select the Standard Delivery SKU and the product will be delivered unassembled in the carton in 3 to 5 business days.

Premium Installation

Select the Premium Installation SKU and you'll receive a scheduled delivery and install in the room of your choice within 10-15 business days.

Expanded Assortment

Select from different styles, color finishes and configurations that fit any budget while making your workspace functional and appealing to you. For more furniture options, contact your Account Manager or visit www.officedepot.com.

Free Space Planning Service

Call 800.964.1638 or email spaceplanning@bushindustries.com to get started on your customized layout to create a functional space. You'll receive a design proposal within 48 hours that includes 2D and 3D layouts and proper measurements of your office space.

Quality Furniture

Furniture featured in this catalog carries a 10 Year Commercial Warranty with the exception of the 300 Series, 400 Series and BBF Conference Tables, which carry a Limited Lifetime Warranty. Height-Adjustable Standing Desks offer a 5-Year Limited Warranty.
