

WHAT IS A

The best way to ensure your purchases are being tracked is with PTN's internal report, a **Rebate Double Check**.

REBATE DOUBLE CHECK?

Follow these three easy steps to make sure your purchases with our preferred vendors are being tracked and reported:

Make a list of all PTN vendors that you purchase from.

Contact *ProTradeNet* by email at rebates@protradenet.com or by phone at 254-745-2549.

We will run a Rebate Double Check and make sure you are receiving your maximum savings and rebates from preferred vendors.

We also recommend checking our website periodically because we are always growing and adding vendors.
